Subject to Modification and Modified Claim Asserting Reclamation (the "Objection") and requests an order adjourning the hearing on the Objection insofar it relates to any claims of Methode. In support of this Response, Methode respectfully represents as follows:

I.
RESPONSE

1. In the Objection, the Debtor makes the following objections (the "Methode Objections") to various claims asserted by Methode: i) in Exhibit B-2, the Debtor objects to Methode's claim number 16194 as an untimely book and record claim; ii) in Exhibit D-1, the Debtor objects to Methode's claim numbers 4577, 4575, and 4576 as claims subject to modification.

Methode and the Debtor are in the process of discussing the Methode Objections and have been exchanging documents and information in order to reach a consensual agreement regarding the Methode Objections in the near future. Accordingly, Methode requests that the hearing on the Methode Objections be adjourned to allow Methode and the Debtor additional time to resolve these matters.
